MOVE

MOVE WITH CHANGING NEEDS

Move desking blends the best of Italian design with advanced workplace knowledge to span a wide range of applications and support the most dynamic work environments. Move attentively accommodates worker's needs today and well into the foreseeable future.

116mm
Structural leg

168mm
Structural leg

Whether in a tranquil managerial setting, busy office, in a single workstation or a team benching application, Move effortlessly suits a range of workspaces and embraces the changes faced by organizations every day. Its simple, flexible design naturally assimilates to the task at hand.

ARCHITECTURAL

The modular construction and minimalistic characteristics lend Move a style that reflects simple, clean architecture, while the multitude of configurations make it easy to integrate and build upon.

CREATIVE FREEDOM

As organizations become more collaborative and workers spend increased time in teams, workplaces are evolving to support interaction, still individuals often require varying degree of privacy and interaction throughout the day and across projects, Move caters to these shift in workstyle to enhance user performance and satisfaction.

FUNCTIONALITY

Select desk shapes, structural options, linking elements and cabling accessories to create the ideal workspace for any environment. Available in a wide range of colors and materials, Move can promote individual expression or reflect the needs and boundaries of the group.

DESIGN FREEDOM

Designed as a responsive, comprehensive line of desking, benching and tables, Move smartly adapts to a variety of aesthetics, workstyles and environments. A broad offering ensures that Move can support virtually endless applications throughout the environment.

*Frameless desktop screens
Available in a wide range of colors and materials.*

MEETING ROOM

Move is more than just a workstation, it offers new creative scope for meeting tables as well. It features several impressive design details, a single frame side can accommodate two desktops, which save costs and enhances the overall visual effect.

FLEXIBLE SPACES

Move will change the way you look at collaborative spaces. With unparalleled breath and flexibility, it's easy to create exactly the environment you need.
