

LIGHT COLUMN PATHWAY BOLLARD

PRODUCT DATA

LIGHT COLUMN PATHWAY BOLLARD

PRODUCT DATA

Sleek in stainless steel, the versatile **Light Column Pathway Bollard** readily integrates into a wide range of settings. Pathway Bollards have a compact overall height of 9.75" and are available in 5" or 6" diameters to match our other Light Column fixtures: Light Column Bollards in illuminated, non-illuminated, and security core variations, and Light Column Pedestrian Lighting. Light Column Pathway Bollards feature high-performance Cree® LEDs.

LEAD TIME: 6 to 8 weeks. Shorter lead times may be available upon request. Please contact us to discuss your specific timing requirements.

PRICING: Please contact us at **800.451.0410** or **sales@forms-surfaces.com**. At Forms+Surfaces, we design, manufacture and sell our products directly to you. Our sales team is available to assist you with questions about our products, requests for quotes, and orders. Territory Managers are located worldwide to assist with the front-end specification and quoting process, and our in-house Project Sales Coordinators follow your project through from the time you place an order to shipment.

TO ORDER SPECIFY: Quantity, model, finish, lamp, shield (if applicable), and mounting. Quote/Order Forms are available on our website to lead you through the specification process in a simple checkbox format.

NOTE: Because different computers will render colors and textures differently, actual colors and finishes may vary slightly from those shown here.
